OFFICERS ELECTED

By Federation This Morning—Thursday's Addresses and Birthday Party Made Up Very Interesting Program.

The address of the president, Mrs. Morris W. Bartlett, was one of the main features of the Thursday morning session of the Federation of Women's Clubs held in the First Presbyterian Church. Mrs. Bartlett said that during the year twenty-five new clubs had come into the Federation and none had withdrawn. She said that there was no financial reason why any woman in the Federation might not be president. She reported that during the year over 1,900 letters and cards had been sent out by her independent of the corresponding secretary and had traveled between 3,000 and 4,000 miles, causing a great outlay of time and expense, but that she felt fully compensated because of the good work that had been accomplished. She recommended the literacy work and made a strong plea for help along that line.

The rest of the morning was taken up with reports from district chairmen and officers. The Thursday afternoon program was one of the best since the session started. Following the prayer by Mrs. Peckard the report of the Civic Department was made by Mrs. Andrew Campbell. Mrs. Albert Morehead's talk on "Educational Motion Pictures" was very instructive and enjoyable.

Probably the most interesting feature on the program was little 13-year-old Oona Simpson, deaf, dumb and blind, who with her teacher, Miss Sophia Alcorn, showed what a person could do even though badly handicapped. It is probable that the child is even more remarkable than the noted Helen Keller as she can read the voice with her hands from the mouth, throat or back of the neck, simply by placing her hands on one of the places and feeling the vibration. The child has been attending school at Danville and as her mother is very poor contributions were asked for to support her during the summer while there is no school. In a very few minutes almost one hundred dollars was raised.

The next and last big feature of the afternoon was the big birthday party. The President, Mrs. Bartlett, had been so thoughtful to have an immense cake, iced to represent white roses and the green leaves, the Federation colors, come all the way from Benedict's at Louisville. Late in the afternoon the cake was lighted with twenty-two candles, twenty-one birthdays and one candle to grow on. Headed by little Elizabeth Taylor, daughter of Dr. and Mrs. A. O. Taylor of this city, ten little boys, two in a row, brought the cake into the room amid the singing of "Onward Old Kentucky," a song presented as a birthday gift to the Federation of Women's Clubs by Miss Ada May Cromwell. Over \$200 was given to carry on the club work. The General Federation has started to raise a big endowment fund for carrying on club work. The apportionment has been met by the State Federation, which is now trying to raise \$10,000 for state work.

After the meeting over one hundred of the ladies enjoyed the hospitality of some thirty automobile owners and took an hour's ride through the country.

Following a very fine musical program in the evening Mrs. William Dixon, president of the Woman's Auxiliary of the Kentucky Humane Society, gave a splendid address, illustrated with slides, of "Humane Societies and Their Work." Mrs. Dixon has had over five years' experience in this line of work and was therefore able to give a very interesting talk, which was especially interesting to the members of the local humane society.

The address on "Family Rehabilitation" by Miss Clara E. Kummer was also very interesting and showed that the lady was well informed and thoroughly conversant with her subject.

After the invocation by Rev. A. F. Stahl and the singing of "America" the Election Committee reported at 7:45 o'clock this morning. Following are the ones who will head the Federation during the coming year:

President—Mrs. Morris W. Bartlett, Lawrenceburg.
Federation Secretary—Mrs. Richard H. Lacey, Lawrenceburg.
First Vice President—Mrs. W. T. Lafferty, Lexington.

Second Vice President—Mrs. George W. Grant, Louisville.
Third Vice President—Mrs. Lafon Riker, Harrodsburg.

Fourth Vice President—Miss Ada May Cromwell, Frankfort.
Corresponding Secretary—Mrs. Harle B. Ripley, Lawrenceburg.

Recording Secretary—Mrs. George Longnecker, Maysville.
Treasurer—Mrs. H. G. Reynolds, Paducah.

Auditor—Mrs. James Simms, Bowling Green.

Members of State Library Commission—Mrs. T. J. Smith, Frankfort; Miss Fannie C. Rowson, Secretary, Frankfort.

Official Organ—The Kentucky Woman's Journal, Mrs. J. H. Dickey, editor.

Executive Committee—Officers of the State Federation.

The rest of the morning was taken up with interesting reports from the various departments.

Prizes Awarded
During Thursday's session the following prizes were announced by the Art Department:

The \$10 prize for most artistic book plate design was awarded to William Mason Wallace of the Lexington High School, with honorable mention for Miss Laura Turner of the Lexington High School and Miss Margaret Jefferson of the Louisville High School.

The \$25 prize for the best suffrage poster offered by the Kentucky Equal Rights Association through Mrs. Thomas Jefferson Smith, president, was awarded to Miss Mary MacPherson of Louisville, student at State University, with honorable mention for Miss Violet Owens of Hopkinsville and Miss Anna Sue Miller of Cynthiana.

YEANLEY DELIGHTED—YEUCELL MEETING CONTINUED TO DRAW

To the great delight of his hearers in the Growers last night, Evangelist Herbert Yeuell spoke of Platte, as the Macbeth of the Bible. He gave the account of the trial of Jesus in which Platte had a part and told of the consequences of Platte's conduct. It was his conscience which in after life drove him insane and made him act as did Macbeth, who could in his mind's eye see the blood spots upon his hands so long after his murderous act. The meeting in a dramatic way the story of Macbeth was both interesting and profitable. During the discourse there were many who were under conviction. Though no one responded to the invitation, there is every reason to believe that the condition of this meeting being conducted by Mr. Yeuell in such a nature that there will be scores step out for Christ before the meetings close. The prayers of the people of the community are being asked in behalf of this effort to save men through the preaching of the Gospel. Regardless of the distraction, the audience have always been good. The services will begin at the usual time of seven-thirty this evening. In the song service there will be a turning of the calling for scripture quotations. The subject tonight will be "Can We Save Jesus?" The illustrated lecture on Yellow Stone, The National Park will be given. On Sunday afternoon there will be a great mass meeting for men, whom Dr. Yeuell will address on "The Man With His Hair Cut Short." The moving picture of Ellis Island which the social service commission had given to the evangelist was shown last night, and was enjoyed by all.

QUICK WORK

Mr. Clarence Matthews, local agent for Neare, Gibbs & Lent, general insurance agents, of Cincinnati, notified the company of the loss of the automobile of Mr. L. C. Parker in Monday night's fire at the Day and Night Garage. Mr. William H. Behlendorf, Jr., representing the company, arrived in this city Thursday morning at 10 o'clock and by 11:30 o'clock he had visited the scene of the fire and paid Mr. Parker \$800, the full amount of the policy, besides allowing him to keep the remains of the car.

In the notes of the meeting of the Knights Templar of Kentucky now in session at Frankfort the State Journal of that city has the following: Gordon Sulser of Maysville, prominent in the insurance business in the eastern section of the State, is conspicuous among the Eastern Kentucky delegates. Mr. Sulser is one of the real live residents of his home town, and he aided materially in keeping things at fever heat last night.

Nearly all the streets which are now being prepared for brick are closed to the public, inconveniencing quite a number of people.

GOES TO PEN

For Ten Years—Dr. Morgan Convicted in Lewis Circuit Court For Heinous Crime.

Vanceburg Sun

The jury in the case of Dr. Harry Morgan, of Emerson, charged with having carnal knowledge of a female under 16 years of age, returned a verdict of guilty after being out about 20 minutes Saturday and fixed the penalty at 10 years and one day in the penitentiary.

The female in the case was Sallie Kenton, niece of Morgan's wife, who was making her home with them. After the verdict was returned Morgan's attorneys made a motion for stay of sentence because the indictment did not state a public offense. Motion overruled.

Dr. Morgan was tried a year or two ago on a charge of false swearing in connection with the burning of his property.

He served in the Spanish American war and was paralyzed in his lower limbs. He was granted a pension of \$50.00 per month out of which he paid for his own medical education and assisted in educating two or three of his brothers as physicians.

Judge S. J. Pugh, A. D. Cole and W. E. Proctor were attorneys for the defense.

Dr. Morgan was well known in this city, having been a frequent visitor here. His brother was formerly a practicing physician in Maysville.
